Re: Contracts SSC-55, SC-56, SC-57,
SP-1913, and SP-1914

Dear Bill:

Returned herewith is the verified statement of payments as requested in your communication dated 5 February 1957, which pertained to payments from inception of the above cited contracts through 30 December 1956.

We find this listing to be correct as stated; however, we believe that payments made by us to LAC personnel in the field should be listed on the statement in order that a true picture of all disbursements paid either to or on behalf of Lockheed Aircraft Corporation will be shown.

Yours truly,

Doug
